Regulations Regarding Private Cremation Memorial Monuments

June 9, 2014

1. All current by-laws, rules and regulations already set forth by the Prairie View Cemetery Association remain in effect at all times.
2. Private Cremation Memorial Monuments will only be allowed as long as they meet the same size restrictions as current monuments listed in Section 23, paragraph I of the Prairie View Cemetery rules and regulations.
3. Can only be placed on double spaces.
4. **48 hours notice** prior to inurnment must be supplied to the cemetery superintendent.
5. Cemetery personnel must be present during inurnment.
6. An **administration fee** will be charged per each inurnment. Fee to be paid at time of inurnment, not at time of memorial placement.
7. Only 2 cremations are allowed per space so the maximum number of cremations for a double space is 4.
8. Each cremation must be accompanied with a **final disposition paper** to be given to Prairie View Cemetery prior to or at time of inurnment. **No inurnments will be allowed without this document.**
9. Prairie View Cemetery disclaims responsibility for loss or damage caused by the elements, thieves and vandals to said Memorial Monuments.
10. Prairie View Cemetery reserves the right to adopt new rules and regulations at any time and to amend, alter, repeal or revise any of them.
